Get Service Alerts Sent Directly to Your Phone

Bus riders can access Information about individual routes, schedules, and stops.

Riders can also get bus service alerts, saving time and reducing wait times at bus stops.

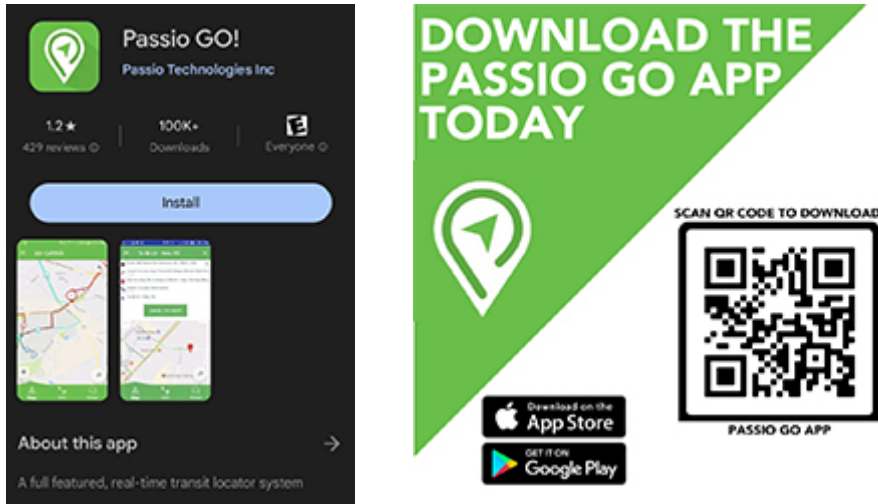

Additional alerts for route changes or delays serve to keep all riders informed.

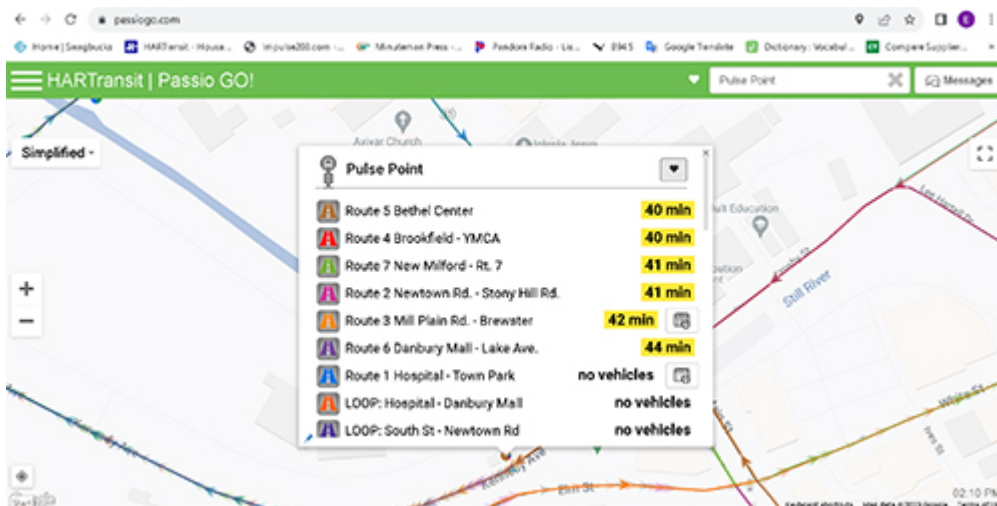

To access the Passio App, please follow these simple steps:

• Visit the Apple App Store or Google Play on your Smartphone and search for "Passio Go",

or scan this QR code to download the Passio GO app on your iPhone or Android/Google device.

- **Once the Passio Go App is installed, tap "Select an agency" and choose HARTransit to customize your experience. You will have access to a range of valuable features, including real-time bus tracking and estimated arrival times. There is an in-app tour to help introduce passengers to the many features available.**

- **In addition to the mobile app, riders can also have access to these features on a computer or tablet at passiogo.com.**
